

8. EXPLANATIONS ON THE TABLE OF CHARACTERISTICS

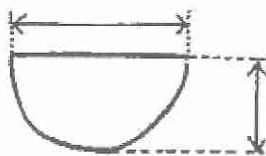

8.1 Explanations covering several characteristics

Characteristics containing the following key in the third column of the Table of Characteristics should be examined as indicated below:

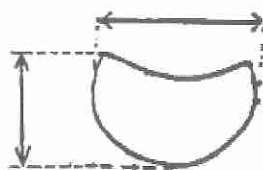

- (a) All observations on vegetative organs should be made on the largest leaves when the ochrea of the inflorescence is first visible
- (b) All observations on the petiole should be made at its mid-point

8.2 Explanations for individual characteristics

Ad. 11, 12 and 14: Petiole: width (11), thickness (12) and type of cross section (14)

type 1

type 2

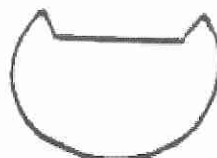

type 3

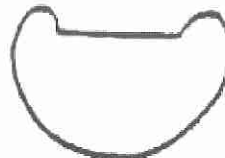

type 4

type 5

type 6

type 7

type 8
